PUBLIC PARTICIPATION

Dan Michael asked if the Village had a fowl ordinance as someone was told they weren't allowed to have ducks and he said he thinks our ordinance mentions livestock which don't include ducks. Toni said we do have an ordinance but I'm not sure of the exact wording. Karen said we will look it up and let you know.

REPORT FROM FISCAL OFFICER

Becky mentioned she has started the application process for the American Relief monies and the Village will be receiving around \$206,000.00.

OLD BUSINESS

Karen said she would like to suggest that we move the Orchard Hill Cemetery marker dedication date so that it can be a more special event. She would like to talk to the Archives and see what they have in mind and we will set a date for a later time.

She also said does anyone know if the electric at the new gazebo is up and completed. As no one really knew she said she would reach out to Rusty tomorrow.

NEW BUSINESS

Karen said someone reached out to her today and said the clock here in the center of the Village is not working so she will reach out to Rusty about that also. Kelly said we talked about getting that satellite automatic and we should really look in to that.

GENERAL DISCUSSION, THOUGHTS AND IDEAS

Kelly said food for thought – we got a rough quote on the decorative lighting for like \$60 some thousand dollars would we like to get that more firmly priced and maybe roll that in to Phase II and have that all one nice done deal. We don't have to make a decision but let's just think about it. Jeff said maybe we could tie internet in with that in the downtown area and use the Relief money for that because internet from what I read would be infrastructure.

Kelly said the clean-up at 107 East Central went real well.
